22							

The maximum capacity for each class is 18 people.

Enclosed classes require special reservations.

If the reservation capacity is exceeded, we will carefully select.

Because it is a popular class, priority is given to existing members, and the instructions will be provided by the instructor or the studio.

from 4 years old	from elementary school	from junior high school	from high school
------------------	------------------------	-------------------------	------------------

Since the target age is used as a general guideline, anyone older than the target age can participate.
Kids ballet is available from 3 to 6 years old.

[Description of class level] (Experience age)

★	Inexperienced	: For those who have just started
★★	More than half a year	: for those who have some experience but not confident yet
★★★	More than a year	: For those who have learned the basics and want to move forward
★★★★	More than three years	: For those who want a higher level class

FREE Free - No level specification : The difficulty is adjusted based on the participants of the class * Experience age is as a guide
